

Legal Expense Reduction

Finance/Accounting Productivity Solution

- Reduce Legal Expenses
- Monitor Contracts & Litigation
- Determine Legal Resource Needs

Problem Description

A medium-sized, multi-state services firm needed a method of evaluating its legal expenses as part of a program to determine the most cost effective method of handling their future legal requirements.

AIM Solution

After reviewing processes and documentation AIM worked directly with the general counsel to develop a database and reporting system to track legal expenses by corporate entity, category (real estate, human resources, uniform commercial code, etc.) and legal resource.

Benefits

Legal expenses were reduced by over \$100,000 per year.

Why choose AIM?

Choose AIM to guarantee a quality project managed by a hands-on project manager, engineer, MBA, with Six Sigma quality credentials and decades of experience not only designing and implementing productivity and management solutions, but using them as a “real-world” professional manager.

Choose AIM to ensure your project does not go over budget. AIM can offer fixed or ROI-based pricing. Over many years and dozens of projects, AIM has never exceeded a fixed priced budget – and never will.

Choose AIM to reduce delays and missed deadlines. AIM eliminates needless layers of management and communication obstacles inherent to traditional project teams.

Choose AIM because you want a partner with both a winning attitude and record that brings a competitive advantage to your team.
